CLUB NEWS: If you don't belong to the Currency Club of Chester County you're missing out on a great newsletter among other things. The newsletter features interesting articles and great factoids: In February there was a great article on Small size notes, listing lots of information on changes from 1928, 1935, 1963, etc. etc. The article was worth the price of dues. Look into this fine club, even if you live too far away to attend meetings.

Editor's Notes: By the time you get this in the mail, I will be living at 48241 Lake Valley Dr., Shelby Township, Michigan 48317. We'll get some new yellow want ad slips printed up, but my mail will be getting forwarded for some months into the future. I have enjoyed my stay in Wisconsin, but now we'll be close to all our relatives who never moved away from the Detroit Metro area like we did. I'll miss the Michigan State Spring show, as we'll be moving that week-end, but will be close to their shows from then on. I will also be attending the great Southfield coin shows that are held every month. If you live in Metro Detroit and haven't been to a Southfield show you are missing out!

OUR COVER: This month's cover is another new purchase f or me, a very nice 25 cent Detroit & Shelby RR, payable at The Bank of Utica. I am currently working on early Detroit Obsoletes and this fits nicely in that niche. The twenty-five cent coin is appropriate for the 1838 date of the note.

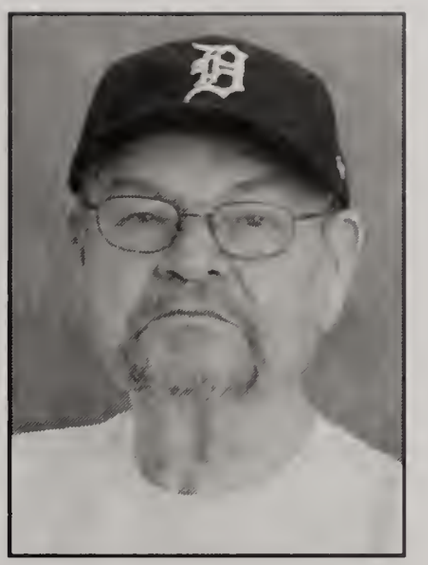
PRESIDENT'S COLUMN:



This issue, we have a special notice to remind you that nominations are in order for officer's positions for the 2017-2018 term. Send your nominations to our Secretary Dan Freeland, whose address is listed on our front page. I have included a special page this issue for you to copy or pull the page out of the magazine and send it off to Dan. You can nominate yourself, don't be shy if you're interested. I am looking for a replacement Editor. Secretary/Treasurer is a big job, so keep that in mind if you want to run for it. Dan has been doing a great job. The President's job isn't so hard, just be willing to chair meetings and write a column each issue for the Rag Picker. Vice President's fill in for the President when he's a no show at a show. Board members offer wisdom and guidance to the operation. We will accept nominations over the next few month's, and publish them in the April-May-June. We will have a ballot in the July-August-September edition and count the ballots at the Thanksgivng MSNS Show so we can report on the winners. In the October- November-December issue. New officers take office in January. If there are no new nominations you'll be stuck with us for another two years.

I recently attended the CPMX in Chicago, actually Rosemont, Illinois and enjoyed visiting with friends. The show is a good one, not really heavily attended, but all the attendees and dealers are paper money people, so it is a feast for Rag Pickers. I picked up a nice Confederate bill and finished up my block collection on $1 Hawaii and North Africa notes. I enjoyed chatting will Larry Falater and his son as well as a few other Rag Pickers from Michigan. The auction was ok, but like most auctions today, lightly attended, as many collectors opt to bid on-line. Prices are down bit, but my dealer friends think its more the economy than any lack of interest by Rag Pickers.

FEATURE ARTICLE
More Memories

By Bill Brandimore

I was fortunate to be able to join two great clubs in the Detroit area through Earl Shill and his wife. The Detroit Coin Club was a venerable association that had been at the level of the Chicago Coin Club and had embraced many early collectors of considerable status. In the early days they met at a a swank downtown hotel for dinner meetings and included many notable numismatists of the day, Henry Ford had been a guest at the club. When I joined the club was at a low ebb with membership attendance at less than 10 for meetings and was dying out. The membership was still high quality, just getting old and inactive. It died a few years after I moved to Wausau in 1988. The other Club I joined was a lot of fun. It was the Grosse Pointe Numismatic Society and was limited to 24 members. You joined by invitation when there was an opening and I joined at Larry Falater's invitation. We met twice a month at the Grosse Pointe War Memorial and were served coffee and sandwiches at each meeting. Since there were 24 members, you were expected to give a presentation at one meeting a year; and what programs they were. One member brought in his Indian Head and Lincoln cent collections. They were uncirculated and matched for color! Another member brought in his Proof set of Barber dimes in a capital holder. George Hattie, a former ANA luminary and a prominent Detroit attorney brought in his Autograph collection of U.S. President's. Other autographs included Napoleon and Henry the VIII. He passed those last two around for us to handle, they were on vellum. Incredible! I brought in my early efforts at a Fractional Currency collection and was warmly received by these gracious gentlemen. After each meeting, Larry and I would go to John's Friendly ice cream parlor for an after meeting dessert. I remember my first

attendance at a Michigan State Numismatic Society Show. I had never attended such a grand event. It was a huge show at a hotel in Dearborn, Michigan. I had prepared an exhibit and my dealer mentor Ed Marusak had told me to tell Florence Schook, a past ANA President that I was a friend of his. After I had placed my Exhibit of autographed Fractional notes, I went over to the coffee and donuts that were provided for exhibitors and was approached by Florence, who said "And who are you?" Florence was a force to be reckoned with, but when I told her that I was new member and a friend of Ed's she thawed a bit; later, when she found out I was a Police Inspector and gave her a ride in my police car we became fast friends.

Indeed, joining the club scene really opened my eyes to the spectrum of numismatics, and I was hooked for life.

Here is a great club you might want to consider if you have any interest in United States Fractional Currency of the Civil War period.

With the $30 application fee you will receive two books along with one year's membership. The first is The Encyclopedia of Fractional Currency by Milton Friedberg. It is the definitive explanation of all Fractional Currency notes and the various Specimen, Proof and Experimental issues. Well illustrated, it will tell you perhaps more than you want to know.

The second book is called the Simplified Encyclopedia. As the name implies it is a more compact book dealing with less arcane issues. This is a good place to start if you are a beginner, with the regular Encyclopedia as a great reference to delve into for more information.

The FCCB meets every June at the Memphis Paper money show. Members also get together informally at the FUN Show in Florida.

The FCCB is composed of dedicated members who enjoy sharing their knowledge. Join us and join the fun of Fractional Currency!
